The following is an examiner's statement of reasons for allowance: The cited prior arts fail to disclose or suggest a method to provide automated services to heterogeneous devices in a network environment including providing a single messaging interface on each device via a device agent, aggregating data from multiple content sources via a portal server, catching, downloading, triggering the device agent residing on the first heterogeneous device to send a request for an application, searching the device tables to locate a second one of the heterogeneous devices that supports the application, forwarding the request to the second heterogeneous device, and synchronizing the data in conjunction with all other limitations in the claim.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
